

Dear Sir,
Dear Madam,

It is a pleasure to invite you to the “II workshop of criteria validation for the EuroSeal level 2 of the Eurorec Institute” that will take place on February 21st from 9:30 a.m. in the auditorium of Hospital Universitario de Fuenlabrada (Camino del Molino 2, 28942 Fuenlabrada - Madrid)

Your organization, with you as contact person, has been included in a market overview study in the quality of Electronic Health Record. If you prefer your contact not to be part of that list or you think that another contact is preferable, please let us know and we will update the database.

Eurorec Institute is a nonprofit and independent organization that promotes the use of high quality Electronic Health Record systems, mainly through the definition and evaluation of functional criteria and other kinds of criteria, that could be applied to test it.

To find more information about the project please go to www.eurorec.org

Recently the Eurorec Institute and its partners joined the Thematic Network project EHR-Q™ (CIP-ICT PSP-238912), financed by the European Union. In the framework of that Project this workshop is organized. It aims to evaluate, from the health care providers perspective, the 50 criteria that constitute the EuroSeal level 2.

Please be aware that the criteria and its translation is confidential and you cannot make any use or dissemination of them. If you confirm your interest in this workshop we will send you the working material consisting in an excel file with the 50 criteria and some instructions to evaluate them. With all the answers we will consolidate a result report that we can use in the debate in the face to face meeting. If your presence is not possible we would be pleased to collect your evaluation in order to have your opinion also included so, in any case send us your evaluation form to: iciar.abad@salud.madrid.org before February 15th.

AGENDA:

9:30 - Reception of the assistants

10:00 - 13:00 - Training session about methodology and goals of the Eurorec Institute.

13:00 - 14:00 - Presentation of the results from the evaluations received.

14:00 - 15:00 - Lunch time

15:30 - 16:30 - Debate.

We thank you in advance for your important collaboration.
Atentamente,

Pablo Serrano,
Director Médico - Hospital Universitario de Fuenlabrada
